Robert Riggs

Bob moved to approve the minutes from 5-16-18. Seconded by Dale. Motion carried.

Dale moved to approve the Treasurer's report. Seconded by David. Motion carried.

Tom added that they have received grant reimbursements for the hazmat awareness course and anticipate the same from the commodity study which will leave the balance at \$62914.45.

Tom stated that the LEPC requirements are due October 17 of this year and that he continues to produce minutes, agendas and sign-in rosters for the State.

There were no spill reports.

Resilient Strategies presented a draft of the commodity flow study that was conducted in Grant County.

Tom reported that a grant proposal was submitted to cover the cost of the study.

He added that State reimbursed \$2968.65 that covers the cost of the HMAO Course and books.

Tom reported that the IERC did not approve the request for CBRN canisters and riot control canisters by the Sheriff Department.

To stated that he is waiting on invoices and receipts from MFD for the Hazmat IQ program.

David moved to approve payment for the IERC Conference for up to three people. Seconded by Duaine. Motion carried.

Tom stated that the dates need to be set for the HSEEP Compliant full scale exercise. Bruce added that a table top could be set up to fulfill the requirements but that the hospital would need a full scale exercise.

Tom stated he attended the Hazmat IQ Course, which was held on June 16 in Gas City. It was noted that the Health Department/Preparedness purchased a tent that will be used for Hazmat events.

Andy moved to remove the following members:

Casey Lemons
Jerry Waggle
Kellie Planck
Matt Emery

Seconded by Dale. Motion carried.

Elizabeth Garrasi, formerly with MGH, resigned after her last meeting.

Duaine moved to approve Patrick Kolb to replace Elizabeth on LEPC. Seconded by Bob. Motion carried.

Mike Schantz with IDHS stated they are preparing for a State Level exercise August 30.

Bob moved to adjourn. Seconded by Andy. Motion carried.
