Dean moved to approve the minutes from 7-18-18. Seconded by Ed Breen. Motion carried.

Bob Jackson moved to approve the Treasurer's report. Seconded by Andy Weller. Motion carried.

Tom added that they have submitted for grant reimbursements for the hazmat awareness course and the commodity study. Current balance with all projected pending transactions/reimbursements - \$46,414.91

Tom stated that the LEPC requirements are due October 17 of this year and that he continues to produce minutes, agendas and sign-in rosters for the State.

There were no spill reports.

Old Business:

Updates on open grants. Both submitted for reimbursement, pending \$9,712.00

HazMat IQ Update – final items ordered and awaiting billing.

IERC Conference update – no additional attendees. Tom will utilize County Travel and Conference funds as much as possible to limit cost to LEPC.

Full-Scale Exercise Update – 13 October will be the exercise. Everything in place.

New Business:

Grant County Fire Instructors Association President Bob Jackson requested the LEPC fund the HazMat Awareness Operations Course in October in the amount of \$1,437.00. Dean made a motion to approve the request. Seconded by Andy. Motion carried.

No other requests for new business.

Bob moved to adjourn. Seconded by Andy. Motion carried.
