Bob moved to approve the minutes from January 16, 2019. Seconded by Dale. Motion carried.

Dean moved to approve the Treasurers report. Seconded by Andy. Motion carried.

Bruce went over LEPC requirements for this year, as listed in the agenda.

Bruce went over the upcoming meetings, as listed in the agenda.

Geoff reported three spill reports:

A: January 17, 2019 – Wiley Metal – ruptured fuel tank of a semi spilled approximately 100 gallons of diesel fuel. Marion Fire and Pleasant Fire Departments attended. LEPC has not received a report from Pleasant Township yet.

B: January 30, 2019 – Casey's General Store – A tanker truck spilled approximately 20 gallons of diesel fuel by overfilling the tank. Marion Fire attended. Report was received by LEPC.

C: February 26, 2019 – General Motors – oil leak traced back to GM through the sewer/storm water drain that empties into Boots Creek. ERS, IDEM and NRC were all notified. LEPC has not received a report.

Geoff stated there were three more spills that will be reported: Marion Airport, 975 S between 100 and 200 W and Casey's General Store.

Bruce talked about the 2019 HSEEP exercise. It was discussed and decided, Patrick moved to approve a tabletop exercise for LEPC for this year building on this for a full scale exercise next year. Seconded by Bob. Motion carried.

Andy, Bruce, Bob, Patrick, Geoff, Derek and Julie were appointed to the planning committee. (Dale Carr asked to be added after the meeting). The planning committee will meet at a later time.

Bruce stated he will contact Mike Alley for pricing for the tabletop.

Andy reported that MFD has received all the equipment purchased by LEPC.

Bruce stated that the LEPC Chair must now sign the minutes before they are presented to LEPC for passing.

Ed reported that the emergency response plan exercise at General Motors is planned for April 17, 2019.

Patrick moved to adjourn. Seconded by Dean. Motion carried.

Chair, Geoff Williams
