

Non-Taxable Properties (Tax Exempt)

Important changes to non-taxable properties.

NON-TAXABLE PROPERTIES

Because of a change in legislature, an application for tax exempt status is no longer required every two years so long as the exempt property is owned, occupied, and used for educational, literary, scientific, religious, or charitable purposes per Indiana Code 6-1.1-11-4. See memo below for details.

Please read this memo regarding change in ownership of exempt property
